

Genealogy Information Requests

Due to the number of requests we receive from persons searching for genealogy information, this will give you the procedure used in this office.

The birth records begin in 1882 for persons born inside the city limits, and 1887 for persons born outside the city limits. Death Records begin in 1871 for persons who died inside the city limits, and 1907 for persons who died outside the city limits.

The best research sources are found at the Allen County Public Library, 900 Webster Street, Fort Wayne, Indiana, 46802. The library has microfiche of our actual birth records from 1882 to 1920 and death records from 1871 to 1932. This includes events that occurred both inside the city of Fort Wayne and within Allen County. The web address for the library is www.acpl.lib.in.us.

We do have a website it is www.allencountyhealth.com.

This site will be updated as we have resources to include more genealogy information.

It is necessary for you to supply this office with a date of birth/death in order for us to search our records. If we are able to locate the record, using the information you provide, we will send you all of the information contained in the record. The non-refundable fee for search of a birth record is \$10.00. The non-refundable fee for search of a death record is \$12.00. Fees are payable by money order or bank certified check. **NO PERSONAL CHECKS.**

This office does not have marriage and divorce records. They are recorded in the office of the Allen County Clerk, Courthouse, Fort Wayne, Indiana 46802. The fees and procedure for information from that office is different from this office. You will need to contact that office for specific information.

Please allow 8-10 weeks for your request to be processed.
