

About Our Fee Schedule

The following fee schedule applies to all clients of the Fort Wayne-Allen County Department of Health, unless otherwise noted.

- Payment is by cash. Debit/credit cards are also accepted (there is a convenience fee based on the amount charged).
- This fee schedule applies only to medical services provided by our staff at our clinics at the request of our clients.
- The Department of Health will bill Medicaid for any services rendered to clients who are Medicaid eligible. The Department will not charge the client directly for those services.
- Clients who are scheduling an appointment for any clinical services will be notified at the time they schedule their appointment about the expected charges.
- All fees will be payable at the time of the appointment, including fees for services ordered on behalf of a client, unless otherwise noted.

Note: HSA, unemployment, child support, and other government supported debit cards are generally not accepted by the credit card vendor.
