

Acceptable Identification required for completion of a Paternity Affidavit

You must present 1 of the following as proof of identity:

- Valid State Driver's License
- Valid State Identification Card
- Valid Passport

Please note:

- Print-outs from the Bureau of Motor Vehicles are not an acceptable proof of identification document. When the validation period is complete, you will receive the original Driver's license or State Identification card in the mail. This final document is what is required at the time of your appointment.
- Photocopies of any piece of identification are not acceptable. All items presented must be originals.
