

COMMITTED TO OUR COMMUNITY

WEAR A MASK

Employees and guests should wear a mask over their mouth and nose in public spaces in our facility and when they cannot keep at least 6 feet distance from others.

KEEP DISTANCED

Employees and guests should maintain at least 6 feet distance from each other and avoid crowds.

WASH HANDS

Employees and guests should wash hands regularly especially after using the restroom or touching surfaces.

STAY HOME IF SICK

Employees are committed to staying home when sick. Guests are also asked to avoid visiting the facility if ill.

DISINFECT SURFACES

Employees are committed to regularly cleaning and disinfecting high-touch surfaces.

GET VACCINATED

We will encourage our team to get vaccinated as soon as they are able and hope community members who visit our facility will do the same so everyone is protected.

This facility has agreed to abide by best practices against COVID-19 as advised by the Allen County Department of Health. Please speak to the facility owner or manager if you have questions or concerns.
